Dear Anne:

It was a pleasure meeting with you on Wednesday.

Your jewelry has many nice conceptual ideas in design as well as interesting textures and planes. The jurors feel you have a successful future to look forward to. Glenda Arentzen was quietly and inwardly proud of your accomplishments and did not divulge your association with her to the committee until after it was evident your work was very well received. Undoubtedly, Elizabeth Nutt, the other juror who was absent, would have been doubly pleased having been an earlier instructor of yours.

Acceptance by the League Foundation state jurors fulfills Crafts State Corporation requirements for Foundation juried status and enables you to be involved in all the League shops as well as at the Annual Craftsmen's Fair at Mt. Sunapee State Park.

Welcome to the League, Anne, and call anytime I can be helpful.

Sincerely,

Ruth Burt  
Director of Standards
